Organizing Committee

Lacey Hughey

Smithsonian National Zoo & Conservation Biology Institute

Ecologist & Program Manager

Talia Speaker

WILDLABS & WWF - US

Research Specialist

António Ferraz

NASA Jet Propulsion Laboratory

Scientist

Sarah Davidson

Max Planck Institute of Animal Behavior

Movebank Data Curator

Autumn-Lynn Harrison

Smithsonian National Zoo & Conservation Biology Institute

Research Ecologist

Matthew Ogburn

Smithsonian Environmental Research Center

Research Ecologist

Tom Akre

Smithsonian Institution

Conservation Ecologist

Irene Amoke

Kenya Wildlife Trust / Independent Consultant

Strategic Advisor

Rafael Antelo

WWF

Initiative Lead

Cody Aylward

World Wildlife Fund - US

Senior Connectivity Specialist

Sara Beery

MIT

Assistant Professor

Lily Bentley

University of Queensland

Postdoctoral Research Fellow

Gil Bohrer

Ohio State University

Professor

Luca Borger

Swansea University

Professor of Ecology and Biodiversity

Beth Bowers

Smithsonian Environmental Research Center

Postdoctoral Researcher

Francesca Cagnacci

Fondazione Edmund Mach

Group leader, Dr (PhD), Prof. (Hab.)

Gabrielle Canonico

NOAA/US IOOS/US MBON

US IOOS Marine Life Program Manager

Steven Canty

Smithsonian Institution

Research Ecologist

Ying-Chi Chan

Postdoctoral Researcher

Maggie Coblentz

National Geographic Society

Senior Specialist, Science and Innovation

Emily Cohen

University of Maryland Center for Environmental Science

Associate Professor

Nathan W. Cooper

Smithsonian's National Zoo and Conservation Biology Institute

Research Ecologist

Daniel P.Costa

University of California Santa Cruz

Distinguished Professor

Storm Crews

North Carolina Zoo

Distinguished Professor

Tammy Davies

BirdLife International

Marine Science Coordinator

Peter Desmet

Research Institute for Nature & Forest (INBO)

Open Data Co-ordinator

Emmett Duffy

Smithsonian Environmental Research Center

Director of Tennenbaum Marine Observatories Network

Daniel Dunn

University of Queensland

Associate Professor, Director of the Centre for Biodiversity & Conservation Science

Diego Ellis Soto

University of California Berkeley

Postdoctoral Researcher

Brian Evans

Smithsonian's National Zoo and Conservation Biology Institute

Postdoctoral Researcher

Johanna Mills Flemming

Dalhousie University

Professor & Associate Dean of Graduate and Global Relations

Weiqian Gao

Smithsonian's National Zoo and Conservation Biology Institute

Quantitative Ecologist

Andrew Gonzalez

GEO BON, McGill University

Professor/Co-Chair

Thomas Gray

Cellular Tracking Technologies

Business Growth Strategist

Tremaine Gregory

WWF-US and NZCBI-CSS

Senior Sustainable Infrastructure Scientist

Neil Hammerschlag

Shark Research Foundation

Executive Director

Anne Hertel

Ludwig-Maximilians University Munich

Post-doc

Tuck Hines

Smithsonian Environmental Research Center

Program Manager

Sarah Huebner

Smithsonian Institution

Program Manager

Justin Kay

MIT

PhD Student

Annika Keeley

Center for Large Landscape Conservation

Conservation Science Director

Corrine Kendall

North Carolina Zoo

Curator of Conservation

Jessica Kendall-Bar

Scripps Institutional Postdoctoral Fellow

Scripps Institution of Oceanography

Connie Kot

NOAA NOS U.S. IOOS Office

Marine Biologist

Aaron Laur

Center for Large Landscape Conservation

Manager, International Connectivity Program

Jes Lefcourt

Ai2 / EarthRanger

Senior Director, Conservation Technology

Peter Leimgruber

Smithsonian Institution

Director of Conservation & Science

Jacob Levenson

Bureau of Ocean Energy Management

Marine Scientist

Felix Liechti

University of Basel

Guest Researcher

Stuart Mackenzie

Birds Canada - Motus Wildlife Tracking System

Director, Strategic Assets

Javier Mateo Vega

Smithsonian Tropical Research Institute

Research Fellow

Megan McKinzie

Monterey Bay Aquarium Research Institute

U.S. Animal Telemetry Network Data Manager

William J. McShea

Smithsonian Institution

Research Scientist

Katherine Mertes

Smithsonian National Zoo & Conservation Biology Institute

Research Ecologist

Katie Millette

GEO BON, McGill University

Executive Secretary

Ronaldo Gonçalves Morato

Panthera

Country Director, Brazil

Thomas Mueller

Senckenberg

Professor

Joseph Mukeka

Wildlife Research and Training Institute

Principal Research Scientist

Robin Naidoo

WWF-US

Lead Scientist

Ran Nathan

The Hebrew University of Jerusalem

Full Professor

Eva Neill

Smithsonian National Zoo & Conservation Biology Institute

Intern

Aidin Niamir

Senckenberg

Head of International Science-Policy

Justin Nowakowski

Smithsonian Environmental Research Center

Research Ecologist

Teague O'Mara

Bat Conservation International

Director of Conservation Evidence

Ruth Oliver

University of California Santa Barbara

Assistant Professor

Macon Overcast

Smithsonian Global Health Program

Assistant Professor

Adrien Pajot

WILDLABS

Award Project Manager

Meredith Palmer

Yale University

Conservation Scientist

Laura Pollock

McGill University

Assistant Professor

Jonathan Pye

Ocean Tracking Network

Director of Data Operations

Sreeja Rachaveelpula

Salim Ali Centre for Ornithology and Natural History

Junior Research Fellow

Kasim Rafiq

University of Washington

Postdoctoral Scholar

Kim Richie

Smithsonian Environmental Research Center

Data Manager

Will Rogers

Yale University

PhD Student

Alex Rood

WILDLABS at WWF

Communications and Community Management Associate Specialist

Christian Rutz

University of St Andrews

Professor of Biology

Amy Scarpignato

Smithsonian Institution

Ecologist/Bird Conservation Specialist

Brandie Smith

Smithsonian National Zoo & Conservation Biology Institute

John and Adrienne Mars Director

Scott Sillett

Smithsonian Migratory Bird Center

Supervisory Research Wildlife Biologist

Melissa Songer

Smithsonian National Zoo & Conservation Biology Institute

Conservation Specialist

Fernando Spina

Convention on Migratory Species

Conservation Specialist

Jared Stabach

Smithsonian National Zoo & Conservation Biology Institute

Research Ecologist

Ellen Stofan

Smithsonian Institution

Under Secretary for Science and Research

Andrew Szopa-Comley

UNEP-WCMC

Scientific Officer

Gary Tabor

Center for Large Landscape Conservation / Cornell University

Chief Executive Officer

Anne Trainor

The Nature Conservancy

Landscape Ecologist

Marlee Tucker

Radboud University

Assistant Professor

Woody Turner

NASA HQ Earth Science Division

Program Scientist

Stella Uiterwaal

Smithsonian National Zoo & Conservation Biology Institute

Postdoctoral Researcher

Ferdinando Urbano

European Commission - Joint Research Centre

Scientific Officer

Ximena Velez Zuazo

Smithsonian Institution

Research Associate

Jake Wall

Ai2 / EarthRanger

Guest Researcher

Lucy Waruingi

African Conservation Center

Executive Director

Wenjing Xu

Senckenberg

Principal Research Scientist

Scott Yanco

Smithsonian Migratory Bird Center

Postdoctoral Researcher

Dagmar Zikova

Secretariat, Convention on Migratory Species

Scientific Officer
